Rhone Valley Wine Class

Thursday, May 12th

Join me **Thursday, May 12th** here at **CELLAR 13** at **7pm** to explore the wines of the Rhone Valley. We'll discuss the appellations, history, recent vintages, and distinctions of the Southern and Northern Rhone Valley. Nine wines will be poured including Chateauneuf-du-Pape, Cornas, Condrieu, and a rare dessert wine from Rasteau. Food will be served. Class is limited to 10 people. Cost is \$75 per person. If this date fills out quickly a second date will be added so let me know if you have interest. I drink more wine from the Rhone Valley than any other region. Come find out what all the fuss is about!

To RSVP simply reply to this email or phone the store with the number of seats you'd like.

Cheers,

John Passman
